NW Team and Coaching Coordinator AGM Report 2019

As usual its been a busy year for the Region although due to changes outside of our control some events weren't held this year.

The year began with a successful round of meetings in the Region to inform members of the work the Board does to help coaching and develop racing opportunities. It has awarded one bursary for a L2 road award and another applicant is waiting for a suitable course.

The Junior Team again received an invite to Norway (and managed to get there this time) for the Heroes of Tomorrow Race in Narvik and were successful in coming away with the overall team prize. Some of the prize fund will be given to the riders and the balance used to develop coaching in the Region.

Due to changes within BC it has now been left to the Regions to organise the Inter Regional Competitions and unfortunately the planned MTB Inter Regional Competition didn't go ahead but there is a Road and a Track event for which teams have been selected.

After feedback from last year's AGM information regarding the Youth and Junior competitions was communicated via the Regions website, twitter account and on the Youth Team and NW Coaches Facebook pages.

I have decided not to stand for re-election and would like to thank the members and the Board for their help and support in my time as Team and Coaching Coordinator.
